Japanese Jiu Jitsu Champ To Meet All Comers Here

Manager Jarbo, of the Gayety Theater, will furnish the local followers with something new in this vicinity in the wrestling game when K. Takeuchi, the champion Jiu Jitsu wrestler of the world, will meet all comers at every performance next week.

The District grapple fans have witnessed Jiu Jitsu wrestling before, but never in the history of the game here, as one of the athletes from the far East issued a challenge to all local grapplers to meet them at their own game, providing they wish to do so.

Takeuchi's deft is to meet any of the wrestlers that Manager Jarbo will name, at any style of the grappling game that his challengers may name. Takeuchi will appear at every performance of the Tourist Company next week and will try his skill against any athlete produced both at matinee and night.

Takeuchi has never appeared before a local audience, although his power as a grappler have traveled here ahead of him. Last spring he met George Bothner, the light-weight champion of the world, at Madison Square Garden in a finished bout, in which neither wrestler obtained a fall. It was a grueling affair all the way, and after twisting and breaking holds for three hours and forty minutes the police stepped in and stopped the bout. No permit would be issued by the New York authorities for a return match, and both grapplers are still contending that they are the master of the art.

Just who will meet the Japanese champion at the matinee and night performance tomorrow is not known, as most of the local grapplers are laying back to see the ability of Takeuchi before testing their strength against him. Takeuchi weighs 152 pounds, and matches can be obtained from Manager Jarbo at the Gayety box office.

PAT MORAN SIGNS FORMER FED HURLER

New York, April 22.—Claude Cooper, formerly with the Giants, and last year with the Brooklyn Feds, was signed to-day by Manager Moran to play in the Philadelphia Nationals' outfield. Moran said that Chief Bender had tipped him off to Cooper, saying that the latter was

a good felder. Negotiations were opened for the player's services after George S. Ward gave Cooper permission to act as a free agent. The salary Cooper will receive was not mentioned. His contract with the Feds called for \$7,000 a year.

The Australian government is planning the establishment of a laboratory for the application of scientific research to national industries.

PLAYING IN LEAGUE WILL BENEFIT GROTO

While Capt. Louis C. Wilson, disbursing officer for the District, who is in charge of the Shrine baseball team, which is to meet the Grotto nine at American League Park on Saturday, June 17, in the annual game for the Masonic and Eastern Star Home, has apparently not been as active as the rival management. It is safe to say that he has been "quietly sawing wood."

William Guile, the well known local business man, who tops the leadership of the Grotto forces, chose a live captain for his team in Andy Walker, who has entered his combination in the Rosedale League and will have the benefit of six weeks of playing prior to the Masonic contest.

However, when the time comes for play, it is certain that the Shrine will be able to offer the Grotto the kind of opposition one great rival always prepares for the other, for the loser in this battle is not going to be allowed to forget the defeat for many days after the smoke clears away.

LOCAL SCHOOL BOYS IN TOME CARNIVAL

Port Deposit, Md., April 21.—The latest school to signify its intention of entering the Tome School's fifth annual interscholastic field and track meet on May 20 is the Cascadia School, of Ithaca, N. Y. Among the others that will take part are the Yonkers High School, Yonkers, N. Y.; West Virginia Polytechnic Institute, Keyser, W. Va.; Baltimore City College, Park School, Baltimore; George School, Philadelphia; Friends' School, Wilmington, Del.; Western High School, Washington; McKinley High School, Washington; St. Albans School, Washington; Friends' School of Washington; Polytechnic Institute, of Baltimore; Wilmington Conference Academy, Dover, Del.; Gilman Country School, Baltimore; Chester High School, Chester, Pa.; Anne Arundel Academy, Md.; Bel Air High School; Cecil County High School, Chesapeake City High, Havre de Grace High, Towson, Sudersville, McDonough School, Charlotte Hall and Central High, of Washington.

AMATEUR BALL TO OPEN TOMORROW

Rosedale League Will Be First Circuit to Get Under Way. Grotto Plays Champions.

GRIFF TO THROW BALL

Organized amateur baseball will get under way tomorrow afternoon when the Rosedale League, until this season known as the Junior organization of the local Amateur Baseball Association, opens its season.

The Rosedale League will be opened with Manager Clark Griffith, of the Nationals, throwing out the first ball. The Grotto team, under the leadership of Andy Walker, will be opposed to the crack Rosedale team in the opening game. The Rosedale team landed the championship in the circuit last season and this year the club is again represented by a good-looking bunch of ball tossers.

The games all this week will be played at Union League Park, at Fifteenth and H streets northeast, as the baseball diamond of the Rosedale playground is not yet in shape. This game will be called at 5 p. m.

LELAND STANFORD CREW RUNS FIRST

Berkeley, Cal., April 22.—The annual boat race between Leland Stanford University and the University of California was won by the former this afternoon by five lengths in 18:25 for the three-mile course. The time was slow. The course is on the Oakland estuary of San Francisco Bay.

WHERE LON LOST HIS CONTROL

"Whatcha think, Uncle Dopey? I'm at the game settin' peaceful and quiet in the same section with 'Eddie' Walsh and the rest of 'em magnets, but when—I natural like out loose with some noise, and that old 'blister' what's always with the little blonde in the green sweater, which he calls his niece, but which is not, starts to comment about me terrible, and says I oughta suppress my emotion. What is this suppressed emotion anyhow?"

Suppressed emotion, Lon, is the direct antithesis of spontaneous combustion, but if you can't handle antithesis or spontaneous combustion it means this—you don't do somethin' you wanta do that woulda made you feel better had you did it. Frinstance, a millionaire's only kid pulls a get-away with the cashier in a movin' picture concern, thereby causin' the old plutocrat to become so wrathly he nearly has hydrophobia, and he cuts the lad off without a cent, which makes the young 'buck' sore'n hell, but instead o' bitin' his Da-da in the cheek as he'd like to, he keeps down his fire and comes back at him like this, "Why, think, Dad, just think. She's muh wifel I've sworn to love and protect her, and I'm gonna stand by her, Dad, even agin' you." Which he proceeds to do 'til both o' them are thoroughly convinced there ain't a chanct on earth o' makin' the old 'tightwad' unloosen, and then it becomes depressed emotion or paranoia.

However, it's genteel stuff and should always be used by visitin' rooters, especially when our team's in the rear.

DOPEY DAN.

Note 2. Them 'N'ewk guys don't look a bit sweeter 'n our lads.

Note 3. Did ya ever see such a covey o' Josties. Lon's cross-eyed from lampin'.

Dressing well doesn't necessarily imply spending more than you can afford.

Of course you can pay a lot for clothes if you want to, but why pay for more value than you actually get?

We've always made it a point to put in the things that are highest in quality and most reasonable in price.

In men's clothes, for example. What better can be had than the Model Clothes for \$10? You can't get better values for \$15 to \$18 elsewhere.

Our new Spring styles are awaiting your approval.
